B. Manager's Announcements

City Attorney Charlie Meyer announced the following:

- Tempe has been selected as one of the 100 best communities for young people in 2008 by America's Promise Alliance. This is the third time Tempe has received this honor.
- Mary Wade, Assistant City Attorney, has been appointed the new City Attorney for the City of Chandler. She has done an outstanding job for the City of Tempe. She was given many challenging assignments and opportunities during her tenure and she has grace, wit, and superlative legal ability. She will be missed and he wished her well.
- There have been recent discussions and publicity regarding the Westside Multigenerational Center. Staff will be providing the Council with a more thorough report in terms of outlook and items being addressed, but in concert with Parks and

Recreation, the Boys and Girls Club of the East Valley is in the process of developing an action plan to address staffing and training for all of its employees and they are working with appropriate staff participation. Our staff is also implementing, with them, some steps to clearly and easily identify staff on-site so there is no question as to who is in charge. Parks and Recreation is also in the process of relocating some staff to that Center which could be of assistance as has been done with some of the other multigenerational centers. The Parks and Recreation Department and the Boys and Girls Club are also working with the Police Department to make sure they are well informed and involved in any issues. In addition to an interim report, staff will perform an evaluation in a few months.

- He also introduced his wife, Deb.

- Councilmember Arredondo thanked the Diversity group for providing wheelchairs to the Fire Administration building, Escalante Center, Kiwanis Center, Tempe Center for the Arts, City Hall, City Courts, library, Diablo Stadium, and the multigenerational centers. This was in response to a request by a senior citizen. Diversity listened and they followed through.
- Councilmember Mitchell congratulated staff and the community partners for the honor of being selected as one of the top 100 communities for youth three years in a row. That is something to be very proud of.
- Vice Mayor Hutson added his thanks to all the volunteers throughout the community that make this City so unique and different.
- Councilmember Shekerjian stated that she participated in the half marathon and that is proof that anyone who decides to participate in that event can finish. Sixty people participated in Team Tempe, and everyone finished. That says a lot about the people who care about this community. Our Mayor raised more money than any individual has ever raised in any of the Elite Racing events across the country, and he received a wonderful recognition by Elite Racing. She is looking forward to continuing her training and hopes to participate again next year.

- Mayor Hallman stated that tribute was paid this afternoon to a long-time community member, Virginia Tinsley. She made a huge contribution to this community and meant a great deal to many people. He asked the community to keep her family in their thoughts and prayers.

Meeting adjourned at 8:00 p.m.

I, Jan Hort, the duly-appointed City Clerk of the City of Tempe, Maricopa County, Arizona, do hereby certify the above to be the minutes of the Formal City Council meeting of January 24, 2008, by the Tempe City Council, Tempe, Arizona.
